Queen of Hearts

A Theirs to Tempt Cocktail & Mocktail

For one dangerously tempting woman—or two men willing to share.

Inspired by Theirs to Tempt, Book Two in Sierra Cartwright's **Titans: Captivated — Marriage Claim** series, the Queen of Hearts is a tart, sophisticated blood-orange and cherry drink worthy of Sophie Langford—and the two dangerously determined men who refuse to let her go, Lucian Hawthorne and Caleb Pierce.

Theirs to Tempt is a steamy why-choose billionaire romance featuring Sophie Langford, Lucian Hawthorne, and Caleb Pierce, and is part of Sierra Cartwright's Titans: Captivated — Marriage Claim series.

Make it as a sparkling mocktail or turn it into a cocktail with vodka and sparkling rosé.

Ingredients

- 2 ounces tart cherry juice
- 1 ounce blood-orange juice
- ½ ounce fresh lime juice
- ½ ounce ginger simple syrup
- 2 ounces sparkling water for the mocktail
- Or: 1½ ounces vodka plus a splash of sparkling rosé for the cocktail
- Blood-orange peel or fresh cherry for garnish

Directions

Shake the juices and ginger syrup with ice. Add vodka when making the cocktail version. Strain over one large cube or into a chilled coupe, then top with sparkling water or sparkling rosé.

Cheers!
